FUTSAL (also called Five-A-Side) is played on a small field (roughly the size of a basketball court) with a smaller/heavier size 3-4 ball.

There are no walls in play. This is the game world class soccer stars play to refine and maintain their ball control skills and touch.

“Futsal is really how I got started playing soccer. This is my love, the thing that I enjoyed most!” — **RONALDO**

“I played futsal growing up. In futsal you need to think and play quick so it is easier for you when you move to outdoor soccer.” — **PELÉ**

Play the world's fastest growing sport!
